What is Huntly Rewards?

Huntly Rewards is a simple, new way for Huntly businesses to reward you for shopping locally. You earn points as you spend. When you have earned enough points you qualify for a reward. And thanks to the latest technology you only need one card to earn points at any of the participating businesses.

How does Huntly Rewards work?

There are 5 easy steps to using the Huntly Rewards scheme:

- 1 Buy a Huntly Rewards card for £5 from any business listed inside and register your details.
- 2 Use the card when you shop at any of the participating businesses. Remember - one card fits all!
- 3 Earn points every time you spend at each business. These points will be added to your card.
- 4 Enjoy being rewarded by local businesses every time you hit their 'reward level'.
- 5 Tell your friends about Huntly Rewards!

What are the rewards?

Huntly Rewards offers a diverse range of exciting benefits for customers. Each business offers its own individual rewards as shown in this flyer and on www.huntly.net. Please visit any outlet and they will be more than happy to explain their promotional offer to you.

...and remember:

- You only need one Huntly Rewards card to enjoy entry to the schemes of all participating businesses.
- Points earned in one business only earn rewards in that business - points are not interchangeable.
- No business can see where else you are earning points.
- The technology is tried and tested - but this is the first time it has been used in Scotland.
- By shopping locally you are helping keep Huntly a great place to live, work and visit.

reserves the right to decline issue, withdraw the reward scheme or alter the conditions (including value of the points) at any time, without notice. 7 If your card is stolen or lost, no refunds are payable and any points on your card will be lost and cannot be reallocated. 8 Participating businesses will operate individual promotional schemes only available at their own shops or as described in promotional material. 9 Each participating business may allocate different values to the points on the card earned in their own business, may promote different offers and exclude any products or services from the scheme. 10 To earn rewards points you must present your rewards card to the cashier of participating businesses at the time of making purchases and in accordance with the participating business's terms as set out in promotional material. 11 Points can only be earned, held or exchanged as set out in the scheme conditions and cannot be used against purchases of gift vouchers. 12 Points cannot be redeemed until credited against a Huntly Rewards card. 13 Points cannot be transferred to any other card and are not transferable between participating businesses. The points earned in one outlet can only be redeemed in that outlet. 14 Redeemed points can only be used once. If a transaction on which points are issued or redeemed is cancelled, reversed or not completed, the associated points will be replaced as authorised by the relevant participating business. 15 Cards may be invalid if damaged, altered or defaced. Please note that exposure to heat, magnets, electricity and mobile phones may damage the silicon chip inside the card and data on the card may be lost. No refunds or compensation will be payable. 16 If insufficient points are available, or fraud or misconduct is suspected, the Huntly Rewards scheme and participating businesses reserve the right to refuse or cancel your card. 17 These terms and conditions do not affect your statutory rights as a consumer.
